**CALROSSIE LORD ROTHES 1709974
AND THOS. E. WILSON HIS OWNER.**

CALROSSIE LORD ROTHES 1709974, bred by John MacGillivray, Ross-shire, Scotland. Selected as a most likely stock bull to succeed Browndale Count as chief sire at Edellyn. His sire, Royal Banker, is by Naemoor Gaffer, a son of the celebrated Garbity Field Marshal. His second sire is a grandson of the great breeding bull Collynie Cupbearer, and the third sire is a son of the famous Max of Cluny. He excels in breed character and style—two things which must be looked for in a sire. These qualities are most pronounced in his get. Their heads are remarkable in character pronouncement, and in style, conformation and quality they are replicas of their sire. We feel justified in asserting that the 18 sons listed for this sale are as a whole the most desirable lot yet offered from this herd.

We Again Invite You

Another year has rolled around and we are pleased to invite Shorthorn admirers to attend our Ninth Annual Sale.

We are following, this season, our early established custom of offering our entire production of bulls as well as a liberal supply of heifers in our annual auction. This plan has proven its popularity with breeders as it offers an opportunity to buy our very best.

The achievements of the Browndale strain, particularly at Edellyn, is a matter of common knowledge with all in touch with affairs of the breed. Browndale Count, as a sire, holds a record that is outstanding among the great breeding bulls of his time. Much of his blood is represented through the matrons of this herd. To follow him we choose in Calrossie Lord Rothes, what was then regarded as a most pleasing prospect to follow this great sire. His development and the results from his service have surpassed our fondest hopes, for in him we believe we have as good, if not a better breeding bull than any previously used in our herd. His calves are wonderfully uniform, have exceptional heads, lots of quality and are of the type desired at this time by all progressive breeders and for the requirements of the commercial markets.

We invite you to visit Edellyn on this occasion and form your own opinion as to their merit.—Thos. E. Wilson.

Terms and Conditions

1. Proper care should be given by purchaser to protect breeding qualities and health of animals.

2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot, and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.

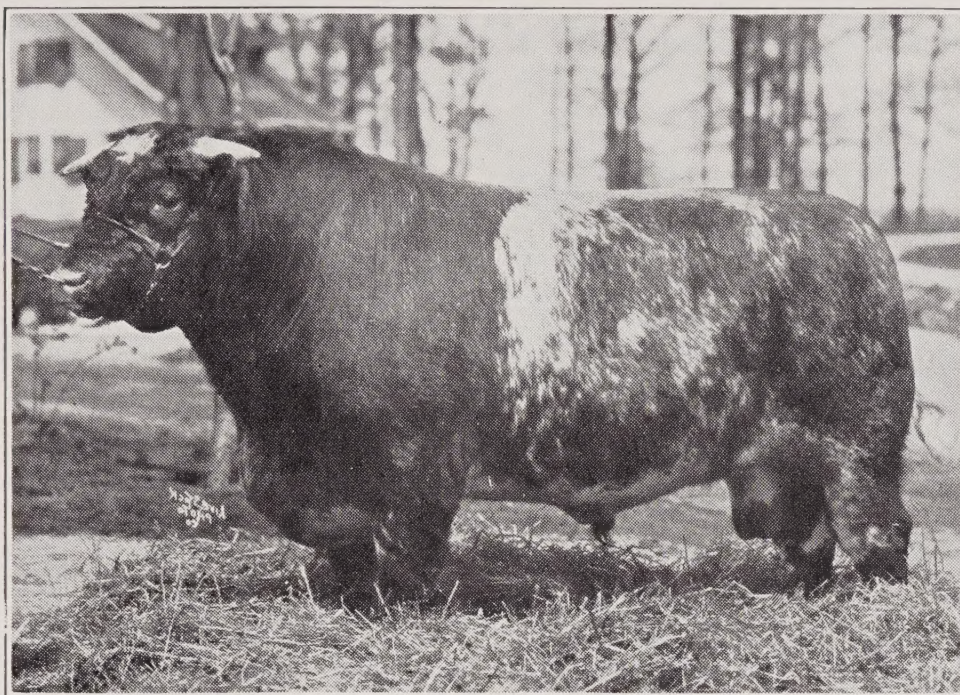

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller. Edellyn herd has been accredited for 5 years.

5. Certificate of registry and transfer will be furnished with each lot sold.

Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

6. TERMS: Cash, unless other arrangements are made before sale.

Breeding list furnished sale day.

BROWNDALE COUNT 1156438

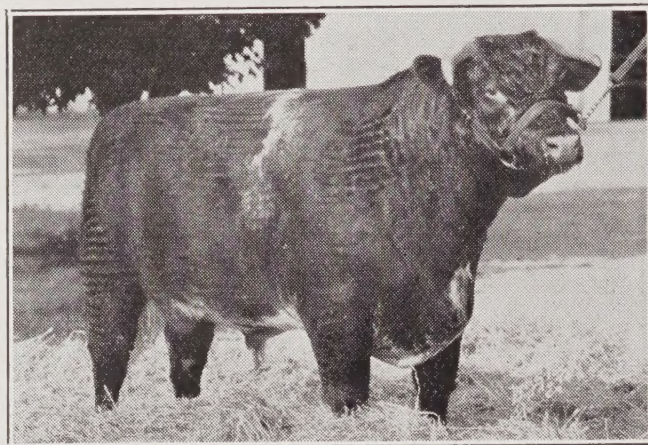

The History Making Sire

Rated as the Greatest Breeding Bull of all time. His sons won the International Live Stock Grand Championship for 1928 and 1929 and his grandson Divide Sensation, was grand champion at the same show in 1931 and 1932. In the Western Circuit a grandson has not met a defeat in two seasons. Premier honors in the leading shows of Canada have gone to a son for two seasons. Browndale Count's sons breed on and win on. In the Get of Sire class for a number of years, no stock bull in America has made a record comparable to the record made by the Brown- dales. Much of his blood is represented in the pedigrees of the cattle selling in this sale.

You Will Get Extraordinary Values *in* This Auction

AN exceptional lot of breeding stock is offered in this auction sale. The most uniformly good lot of young bulls yet produced in the Edellyn Herd are listed. Among them are outstanding specimens and more than one are, in the writer's opinion, the most desirable in the history of this great breeding establishment. This statement is made with due knowledge of the great prospects that were produced there and achieved highest distinction in the shows of North America. I believe that, this, too, will be the opinion of those who are present at the ringside when they are being sold. We would urge everyone, everywhere to journey to Edellyn for the occasion and study for themselves the merits of the sons and daughters of Calrossie Lord Rothes. He is America's most successful breeding bull.

What

John Dickson, Manager of
Edellyn Farms

Says of This Offering:-

“It is hardly worth while for me to make any statement as to the merit of the cattle we list for this sale. Others can render a fair and impartial opinion. After all it is up to those who attend the sale to appraise the cattle. I am confident that those who will see our cattle sale day will not be in the least disappointed no matter how exacting they may be. All we ask is that you take the time to study them. Then they are yours at your price.”
